MEMORANDUM FOR: The Honorable George P. Shultz
The Secretary of State

SUBJECT: Response to Senator Helms' Letters to
the President

In April, 1985 and again in October Senator Helms wrote the President to express his concern about CIA assessments relating to Soviet strategic issues and monitoring Soviet compliance with arms control agreements. (S)

I have responded to the Senator directly on behalf of the President. Because I believe you would be interested in the answers to Senator Helms' questions, I am sending you a copy along with my covering letter. As you will see, the materials are very sensitive. I ask that you limit access to those with a genuine need to know and keep track of those who read the package. (S)

A handwritten signature in dark ink, appearing to read "W. J. Casey".
